

2022 Recap

WHAT'S BEEN HAPPENING IN THE NEIGHBORHOOD?

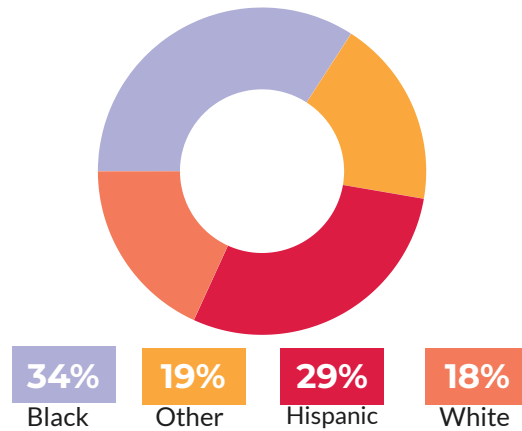

FIGHTING HUNGER

We provide food for those experiencing a food emergency (Pantry) and for those struggling with longer term food instability (Alliance). Below shows the impact of food distributed in our community since 2019.

Pantry Service (People Assisted, by Age)

Other Types of Assistance

Our Pantry also provides Personal Care items, MARTA rides, mail service, and many other services. Some are listed below. COVID has greatly impacted the breadth of these services:

- Prescriptions Filled
- Gasoline Voucher
- Birth Certificate Copy
- ID Voucher
- Baby/Child Items
- Referrals/Other

PRESERVING HOMES

Our Financial Assistance helps families stay in warm, dry housing. Through rental and utility assistance, we help people retain their residences. For families with children already living "on the streets," we can provide short-term motel stays. In 2022, we provided almost \$180,000 in assistance.
